

SUMMARY OF EXAMINER INTERVIEW

Applicants would like to thank Examiner Timblin for conducting interviews on July 20, 2010 and August 4, 2010. During the interviews, differences between embodiments of the present invention and the cited references, namely Minyard et al., U.S. Patent No. 6,891,920 (“Minyard”) and Rothschild et al., U.S. Patent Publication No. 2002/0016718 (“Rothschild”) were discussed. Additionally, proposed claim amendments to clarify these differences were discussed. The Examiner kindly indicated that he believed the proposed claims would overcome these references.
